ZOOMFIJI WEDDING PHOTOGRAPHY & CINEMATOGRAPHY

# YOUR ISLAND LOVE STORY

BEGINS WITH US

For over two decades, couples have trusted ZoomFiji to capture the spirit and emotion of their wedding day. We are honoured to create lasting visual records of island love stories - guided by a calm presence, deep respect, and genuine care for every couple we meet.

We are a multi-generational Fijian team, grounded in calm confidence and inspired by one simple belief: the way you feel on your day shapes the memories that last a lifetime.

We arrive with world-class cameras and a thoughtful presence - but most importantly, with heart. With deep roots across the islands, we know the breathtaking venues and the hidden gems, and how to help you feel completely at ease within them.

Your story leads the way. We're simply here to capture it with heart - stepping forward when you need us, quietly blending in when you don't. Our goal is simple: a relaxed, joyful experience that allows you to be fully present in your day.

**Your island love story begins with us.**

# YOUR DREAM DAY

Planning a wedding in Fiji should feel like the dream it is - not a long list of decisions to juggle. We've shaped our packages to take care of the important things, so you can focus on what truly matters: soaking it all in, surrounded by the people you love.

We're here to help make your day easy, beautiful, and unforgettable. From the big moments to the quiet ones, we've got you covered - with care, calm, and the deep local knowledge that only comes from growing up in these islands.

# WHAT WE CAPTURE

DEPENDING ON YOUR COVERAGE CHOICE

Every wedding is different - just like every couple. Our coverage adapts to what matters most to you. Whether you've booked us for a few golden hours or the full day, here's the kind of magic we're ready to capture:

## **Pre-Ceremony Moments**

The quiet joy. The nervous energy. The tender chaos and grateful laughter. The first moments of the day - shared with those closest to you.

## **Ceremony Highlights**

How your love looks at you. The breath before the "I do." The vows you speak - and the silence between them. The beauty of the place you chose in Fiji, and the people who stood with you as it became official.

## **Family & Friends**

Natural, heartfelt moments shared with those you love most - the hugs, the glances, the joy.

## **Group Photos**

Beautifully composed and thoughtfully arranged. Timeless memories of everyone who stood beside you.

## **Bridal Party**

Thoughtful, stylish images with your bridal party - natural, relaxed, elegant, and full of real connection and fun.

## **Couple Portraits**

Intimate and rich with feelings, always guided by your natural connection and often captured around the golden hour.

## **Reception Moments (for full-day coverage)**

From heartfelt speeches and soulful performances to the laughter, movement, and rhythm of the dance floor - we're there as the energy rises, quietly capturing the pulse of the celebration as it unfolds.

## **Drone Footage**

Aerial views revealing how your story fits into Fiji's beauty - from sweeping coastlines to intimate moments and celebrations seen from above. A perspective that shows not just where you were, but how it felt to be there.

PHOTOGRAPHY & CINEMATOGRAPHY,  
SEAMLESSLY ALIGNED

When you book both photography and cinematography with ZoomFiji, you're not just getting two services, you're inviting one united crew to walk beside you, calmly and creatively.

We beautifully capture your day from two different angles, still and moving - crafting the narrative of your day, your way. This is what we call a Complete Story. We move together, think together, and carry one rhythm, making your day feel easy, supported, and uninterrupted. At times, when two separate teams work independently, shots are missed, views are blocked, and energy becomes fractured. But not here. We've built our approach differently; with intention. Respect for your guests, your ceremony, and your peace of mind is at the centre of everything we do.

**This is a deeper kind of storytelling.**

It's about more than images or film, it's about emotion, rhythm, and presence. It's about hearing your vows again, watching your loved ones laugh, feeling the energy of the dance floor, and remembering how it all felt.
